AN INTERVIEW WITH DR. LEO RYAN

"Some people may think getting ahead in the world means making a lot of money. Getting ahead means to me having a very deep personal interest in others besides yourself. It means using your talents to bring happiness to others and helping them to the best of your ability." So spoke Dr. Leo Ryan, Principal of Forest Hills High School. It was this outlook on life and the many wonderful teachers he had during his school career that influenced him to major in education.

There's an old saying that one hears every so often about how much harder the students of fifteen years ago worked to maintain their grades. Dr. Ryan feels, however, that on the contrary, the average high school student of today realizes that unless he applies himself diligently to the work in class, he places himself in jeopardy of not realizing his educational or vocational plans for the future.

Dr. Ryan attended the College of the City of New York where he received his Bachelor's and Master's degrees. At Fordham University, he obtained a Doctor of Philosophy in History. "I have found," said he, "that it is important to acquire as broad a foundation culturally as one can. Narrow specialization in a particular field does not equip one for life in the economic and social world.

"You as a senior class have maintained the wonderful record that FHHS has always held. I hope that in future years you will continue to persevere in your endeavors and accomplish the most you are able with the opportunities offered you."

dedication

We, the graduating class of 1956, have decided to confess to one of our perhaps TOO WELL concealed sentiments concerning the faculty. We admit (though it be a bit painful to our pride) that although we have ranted and raged about our instructors, we really agree that they have taught us and taught us very well.

Our teachers were our mothers, fathers, and teachers all wrapped into one. Through their dogged perseverance, the chemistry equations that looked like dangling participles became balanced, Macbeth could proceed with the killing of Duncan because Shakespeare's poetic prose was finally interpreted, and our stenography notes that looked most unmistakably like hen scratches were deciphered. Besides the 3 R's these sagacious people advised us in matters pertaining to our future careers and the business world in which we will soon begin to play an active role . . . Our teachers became a part of us during the last four years. We learned to respect the mature way in which they treated us and their interest in our growth and maturity.

And so we dedicate our yearbook to the so-called didactical race known as teachers, who through our years at FHHS we discovered to be wonderful friends and not didactical at all.

DEPARTMENT DITTIES

By Rosellen Brown

English—Standing—Left to Right: Miss Gertrude Farley, Mrs. Florence Grossman, Mrs. Lillian Lazarus, Mr. Frank Kegel, Chairman, Mr. James Kernan, Mr. Joseph Gleason, Mr. William Stark, Mr. Morris Stern. Seated: Mrs. Evans Finnegan, Miss Helen McGrover, Miss Margaret Gloster, Miss Gladys Smiley, Mrs. Dorothea Lee; Absent: Mr. George Starrs, Miss Ruth Stedman, Mrs. Rose Weil.

I. English Department
Once upon a time we fled
From all that beckoned to be read,
And rarely ever taxed our brain
Beyond the depth of M. Spillane.

But now we've had a thrilling teaser
Since we've met Macbeth and Caesar;
Since we've heard that voice implore:
"Sorrow for the lost Lenore!"

We rocks and stones have learned so much
Of predicates and verbs and such,
Our English is perfect in all its features—
There ain't enough woids to thank our teachers!

Social Studies—Standing—Left to Right: Mr. Henry Wepner, Dr. Albert Graa, Mr. Edmond Runge, Mr. Leon Meade, Mr. Charles Smukler, Mr. James Warren, Mr. Martin Drach, Mr. John Heine, Chairman, Mr. Gerard Larkin, Dr. Jack W. Entin, Mr. Alfred Carter, Dr. David Brown, Mr. Abraham Sondak. Seated: Miss Rita Hoar, Miss Catherine Campbell, Miss Grace Rivoli, Mrs. Esther deFarkas, Mrs. Miriam Sutterlin, Mrs. Ruth Schor, Mrs. Marjorie Gore, Mr. Joseph McCarthy, Absent.

II. Social Studies Department
Hammurabi's code is old;
Monroe's doctrine's very bold;
Arctic winds blow icy cold.
Cheap money crowds out all the dear;
This is the Western Hemisphere;
Make sure IT can't happen here.

Three cheers to those who have unfurled
The panorama of the world,
And proved to us and all our buddies
That life's a'poppin' in Social Studies!

III. Mathematics Department

Pythagorus invented ways
To haunt our nights and fill our days,
With a^2 , b^2 , $x + y$,
Circles, angles, radii.
"What was the speed of the second airplane?"
"How many feet in nine planks of lumber?"
And what are the chances we'll ever forget
The fun we had when we worked with the
number?!

Mathematics—Standing—Left to Right: Messrs. Benton Leeds, Walter Hethy, Ward Harrigan, Bernard Plotkin, Morris Stern, Philip Fisher, Charles Snizek, Nicholas Zareko, Selig Bernstein. Seated: Mrs. Elsie Dineen, Mr. David Frank, Chairman, Miss Ernestine Fimpel, Miss Rosemary Tighe.

IV. Language Department

Though you've worn down all our patience
With your endless conjugations,
And the study of your maps,
We forgive you, for, perhaps,
When the boys feel extra mannish,
They can serenade in Spanish;
They'll know the words to Hebrew chants,
And talk with poodle dogs from France.
A language has such benefits,
And you've taught it better than Berlitz!

Foreign Language—Standing—Left to Right: Mr. Alexander Swirsky, Mr. Charles Freundlich, Mr. Nazzareno Palleri, Mr. Eli Blume, Chairman, Mr. Sol Pred, Mr. Anthony Favalli, Mr. Frank Bartlett. Seated: Mrs. Ruth Schor, Miss Adele Giardina, Mrs. Nettie Greenfield, Mrs. Priscilla Keyes, Mrs. Elizabeth Huebener, Miss Mary J. Losinskey, Absentees: Mr. Irving Heller, Mr. Frederick Hurley, Mrs. Anne Nagourney (P.M.), Mr. Victor Ritchie, Miss Marie-Louise Soley (P.M.)

V. Science Department

We remember the day we traced the courses
Of A.C., D.C., magnetic forces;
All the jumbled valance data,
Typhoid fever and old rock strata.
Pin-hole cameras aren't forgotten,
Nor the smell of boiled eggs (rotten);
And the pan with the dead frog in it!
Bless you, Science, we've loved each minute!
We pounded copper for our rings,
We cooked, and sewed, and drilled—
And nowhere could we have such fun,
And come out half so skilled!

Science, Ind. Arts, Home Ec.—Standing—Left to Right: Mr. William Swanson (I.A.), Dominic Potenza (I.A.), Mr. Charles Katz, Mr. Saul Geffner, Chairman, Mr. Harvey Pollack, Mr. Harold Swahn. Seated: Mr. Bernard Udane, Mr. Murray Bovin (I.A.), Miss Evelyn Morholt, Mr. Arthur Lazarus, Absentees: Mr. Herman Gillary, Mrs. Elizabeth Gray, Mr. Jerome Harmon, Mrs. Alice Koelsch, Mr. Morris Wigler, Mrs. Doris Weinstein, Mr. George Schwartz, Miss Lucy DeVivo (P.M.)

Business Subjects—Standing—Left to Right: Mr. Joseph Roemer, Mr. William Rivkin, Mr. Albert Morrison, Chairman, Mr. Paul Haber, Mr. Benjamin Bickerman. Seated: Mrs. Catherine Burns, Mrs. Helen McCanna, Mrs. Alexandria Reilly, Miss Mary Hilliard, Miss Geraldine MacMahon, Mrs. Helen Runge, Miss Ruth Schottland, Miss Lucy Bartholomew.

VI. Business Department
*Steno pads upon our knees,
 (No more help from Steno keys);
 Letter-heads in our machines;
 Suddenly we're office queens . . .
 Switchboard lights burn bright and hot,
 And you can see we've learned a lot.
 We're workers of such calibre,
 We'll nail down jobs at a hundred per!*

Health Ed.—Girls—Standing—Left to Right: Miss G. Cohen, Miss Angelina Carbone, Miss Virginia Dwyer, Miss Catherine Creighton. Seated: Mrs. Marion Holahan, Miss Mary Coghlan, Chairman, Miss Margaret Doyle, Mrs. Marcia Heyman.

VII. Girls' Health Ed Department
*Socks rolled down and jewels discarded,
 'Round the gym we marched—
 Our postures never left unguarded,
 Nor our uniforms unstarched.*

*"Spike that volley, swing your partner!
 Not a sound, girls, from your lips."
 Now we thank those exercises
 For the good they did our hips!*

Left to Right: Mr. William Kerr, Mrs. Irene Halikman, Mr. Martin Salkin, Chairman, Miss Anne Schrage, Mrs. Millicent Schuker.

VIII. Speech Department
*If we'd hiss or lisp or pause
 When we said our A B C's,
 Speech class ironed out the flaws—
 Now we chatter on with ease!*

IX. Art and Music Department
*In Art we labored hard to draw
 A man, a cow, a setter;
 We now apply our hard-learned skill,
 And no-one doodles better!*

*We sang the songs you taught us,
 And we loved them, one and all—
 Funny no-one liked them
 In the classes down the hall!*

Music and Art Standing—Left to Right: Mr. Max Pollack, Mr. Edward Sussman, Mr. Walter Bossard, Mr. Picardi. Seated: Mrs. Elsie Johanson, Mrs. Mary Tuzza, Mrs. Pearl Guzik. Inset: Mr. Jack Barnett, Chairman, Absent.

X. Boys' Health Ed Department
*When the sun is shining
 If you look out back
 You can see the gym class
 As it sprints the track;
 You can hear the whistle
 And the cheers and noise
 You can see what fun it is
 When boys will be boys.*

Health Ed. Boys—Mssrs. Nicholas Spata, Chairman, Victor Mare, George Lapp, Gerald Pannell (See P.M. Session for others).

P. M. Session—Teachers—Left to Right: Mr. Philip Fisher (Math), Mr. Abe Rothberg, (H. Ed.), Mr. Ray Doyle (H. Ed.), Mr. Leon Meade (S.S.), Teacher-in charge, Mrs. Pearl Guzik (Music), Mrs. Helen Runge (Bus.), Mr. Ward Harrigan (Math), Asst.-in-charge, Mrs. Marjorie Gore (S.S.), Mr. Abraham Sondak (S.S.), Mr. Edward Conlan (H. Ed.), Mr. Nicholas Zareko, (Mus.), Mr. Ben Bickerman (Bus.). Seated: Miss Lucy DeVito (Sci.), Mrs. Anne Nagourney (Lang.), Miss Virginia Dwyer (H. Ed.), Miss Margaret Doyle (H. Ed.), Miss Angelina Carbone (H. Ed.), Mrs. Ethel Diffenderfer (Eng.), Miss Marie-Louise Soley (Lang.), Mrs. Caroline Oes (Eng.), Miss Lillian Whitcomb (Eng.), Absent.

THE GIRL WITH THE
.95 AVERAGE

contrary to popular opinion

There is no swimming pool on the fourth floor—
it's in the basement.

Seniors don't stumble over freshmen—
they're too afraid of stepping on them.

Gym lockers aren't good for winter storage—
they're better as pantries.

Elevator passes aren't bought or sold—
for less than a dollar.

Exam time isn't the time for neighborly exchange—
it's a community project.

Third period classes don't tell eighth period classes the questions—
they write them out.

Freshmen don't have to wash the senior staircase—
without the use of a toothbrush.

Study isn't the time for dozing—
better to eat than to sleep.

Teachers don't purposely scare you to death—
they do it naturally.

The girl's bathroom isn't a deep dense fog—
it's just a thick cloud of smoke.

You don't get detention when you forget your absence note—
you get an anecdotal card.

The posters around school aren't to tear down—
just remove them gently, please.

You shouldn't go down the up stairway—
go up the down stairway; it's less crowded.

You can't walk through the halls without a pass—
just run, skip, or jump.

It doesn't take a bus pass to get on a bus—
it takes blood, sweat and tears.

Doors wouldn't fall apart if they weren't slammed—
they'd disintegrate from surprise.

You shouldn't cram the night before an exam—
what's long section for?

Fridays aren't declared legal holidays—
but Mondays are.

You shouldn't burn your Regents Review Books—
bury them.

Not all the best actors are in Play Pro—
just try the Emergency Room.

Your best friend hasn't been to Mars—
he's wearing his senior hat.

Our textbooks aren't the newest in the world—
wisdom comes with old age.

8th period study isn't hard to arrange—
it's impossible.

epic '56

Listen, my children, and you shall hear
Of the days in a Hillite's school career;
Before Graduation in Fifty-Six
Hardly a Junior did e'er exist
Who expected to see that day and year.

*

*Pennant and senior hat, crammed in a draw'r
Grow dusty along with souvenirs—
G.O. pins, programs, relics galore—
The hoarded mementos of high school years.
That banner once hung, draped high on the wall
The eighth term chapeau was envied by all
As it sailed in a red-gold sea down the hall.*

*

Those halls! What mad shoving and pushing and sliding,
With frantic gyrations and frenzied colliding
Of students and teachers, all bound for the doors
In a burst of noise and shouting and roars.
(The rush hour somehow was tame after this,
And even a subway mob scene was bliss.)

*

The bell tolled, as we'd battle the masses,
Proclaiming our fate—late again for our classes—
And needless to say, we didn't have passes!
Could those be marshals in the distance,
The very banes of our existence?
It made no diff'rence WHERE we were;
We'd turn around, and THERE they were;
With cries of "Got a Pass?" "Don't go there!"
They couldn't be dodged—the squad was everywhere!
Those demons were usually out on the prowl,
Hot on the trail of their fav'rite prey;—
(A Beacon reporter—who'd soon get away!)
WHEN would those marshals throw in the towel?

*

Beaconites knew every unguarded door
(Mainly because they'd slipped through them before!!)
Even Legree and his pack of bloodhounds
Couldn't match Beaconites making the rounds—
Hunting the headlines and news we'd devour
To find what was happ'ning from basement to tow'r.

*

Gullible Freshmen, exploring the tower
Would search for the pool all the Seniors describe—
Quite unaware they could look by the hour,
And still find only the musical tribe
That surveyed the school from its lofty stand—
We mean the famous Forest Hills band.

*

Nearby could be heard a melodious croon
That told us the Chorus was singing a tune.
As the musical murmur of songbirds grew faint,
From backstage would float the smell of grease paint.

Our teachers attempted to channel our strife,
Patiently goading, 'til progress was shown
And learning achieved, in spite of the moan,
"Not homework again! Please relent, we implore;
Our poor heads will split if we get any more!"

*

Each class had its quota of scholars and clowns,
Yawners and doodlers, the ups and the downs;
Review books grew cluttered with diff'rent designs,
Caricatures paired with poetic lines.
The "brains" were observed with mixed wonder and scorn
As they listened attentive, to catch every word;
When tests came, avowals of dullness were sworn,
Though nineties soon proved they retained what they heard!
The dreamers would count window panes, one by one,
And jokers drew smiles with a jest or a pun.
Then outlooks would brighten and good cheer abound
When welcome dismissal bells finally did sound.

*

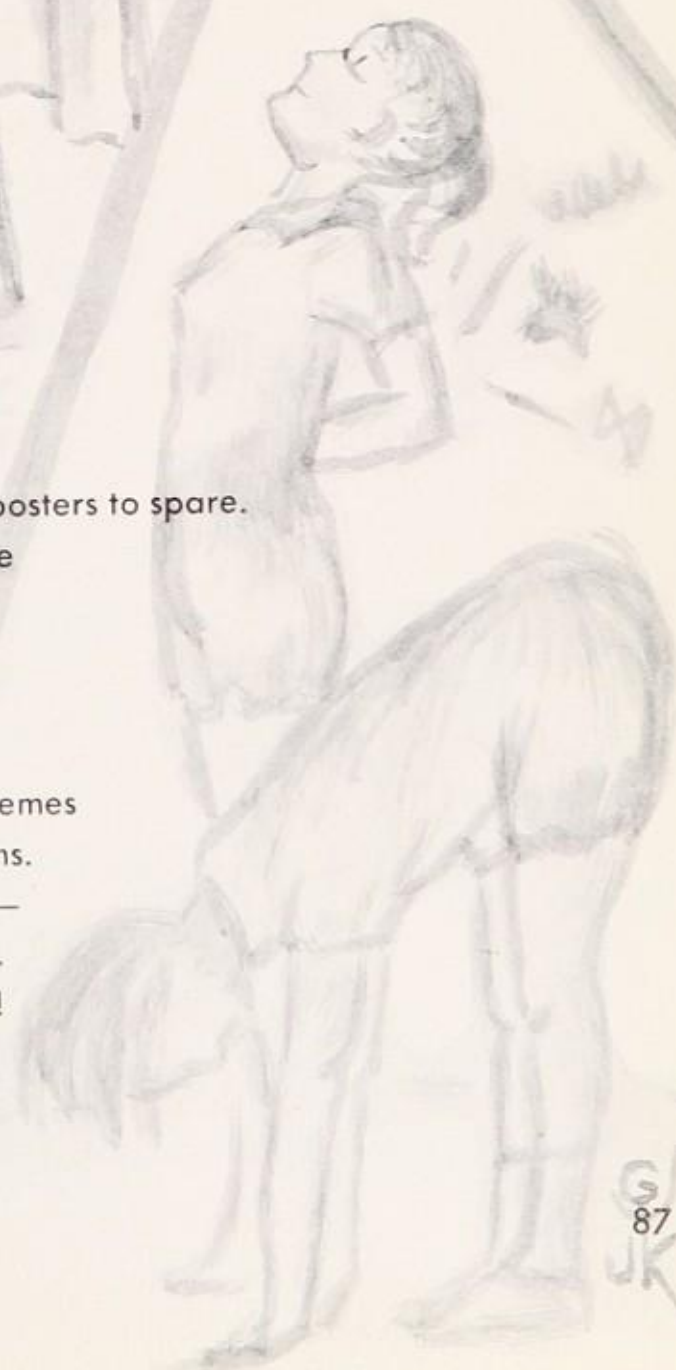

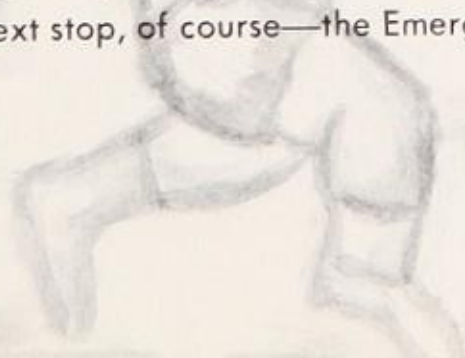

"See you at the flagpole," a favorite theme
Would ring through the halls as 3:10 neared;
And hoards of Hillites in steady stream
Headed for this Forest Hills landmark revered
As the meeting place of one and all,
Along with the compass in the front hall
Where little congregations would gather,
To put the twilight patrol in a lather.

*

G.O. campaign time was furious and fast:
"If elected, these bills will be passed:
More dances, less homework—Vote for me!
I pledge my support to study hall TV."
Slogans and promises filled the air;
There were speeches and catch words and posters to spare.
It looked like the voter had nothing to lose
(Except for the G.O. fifty cent dues!)

*

The terms flew by on wings of lead,
Until exam time loomed ahead;
Final tests were upon us—those devilish schemes
Concocted by teachers to trouble our dreams.
Spirits were low and weighed with gloom—
We had premonitions of forthcoming doom.
Next stop, of course—the Emergency room!

As term's end approached, we tossed in our beads
 While visions of Regents danced on in our heads.
 At last they were over, and yet—could it be?
 It was HERE—Graduation—We'd really be free!
 We went to rehearsal, filled with relief.
 That we'd soon be alumni was past all belief!
 About to be graduates, strolling the hall,
 We suddenly realized that we'd miss it all . . .
 The G.O. elections, the games and the noise,
 PEP rallies, the flagpole, the worries, the joys;
 All Color Day, a bright-tinted lark,
 Resplendent in shades of Hill, Forest, and Park;
 Each Hillite bedecked in reds, golds, and blues,
 And the school all ablaze in bright rainbow hues;
 The P.A. announcing the World Series' scores—
 The awful suspense—the groans and the roars;
 The lectures demanding more spirit in school,
 And the nonexistent swimming pool;
 Becoming part of the glamorous race
 That really belonged on the Senior Staircase.
 The school Alma Mater, the people we met,
 Assembly programs, gymnastic drills . . .
 All of the memories we'll never forget
 Of the thousand and one things that meant Forest Hills . . .

*

The Play Pro crew was forever engrossed
 In plans for scaling theatrical heights,
 With everyone doing the chore he liked most,
 From emoting to make-up to manning the lights.

*

For local color and school atmosphere,
 A better location couldn't be found
 To rival the Hillites' preferred stamping ground;
 The spot where you'd usually find a stampede
 Of students with ravenous hungers to feed:
 Armed with tokens and trays and with huge appetite,
 Set to devour all the victuals in sight!
 All hail to the lunchroom, the Specials, the lines;
 The tumult, the shouting, the hubbub, the riot,
 The cookies and ice cream that conquered our diet.
 (Who pays attention to Duncan Hines?)

*

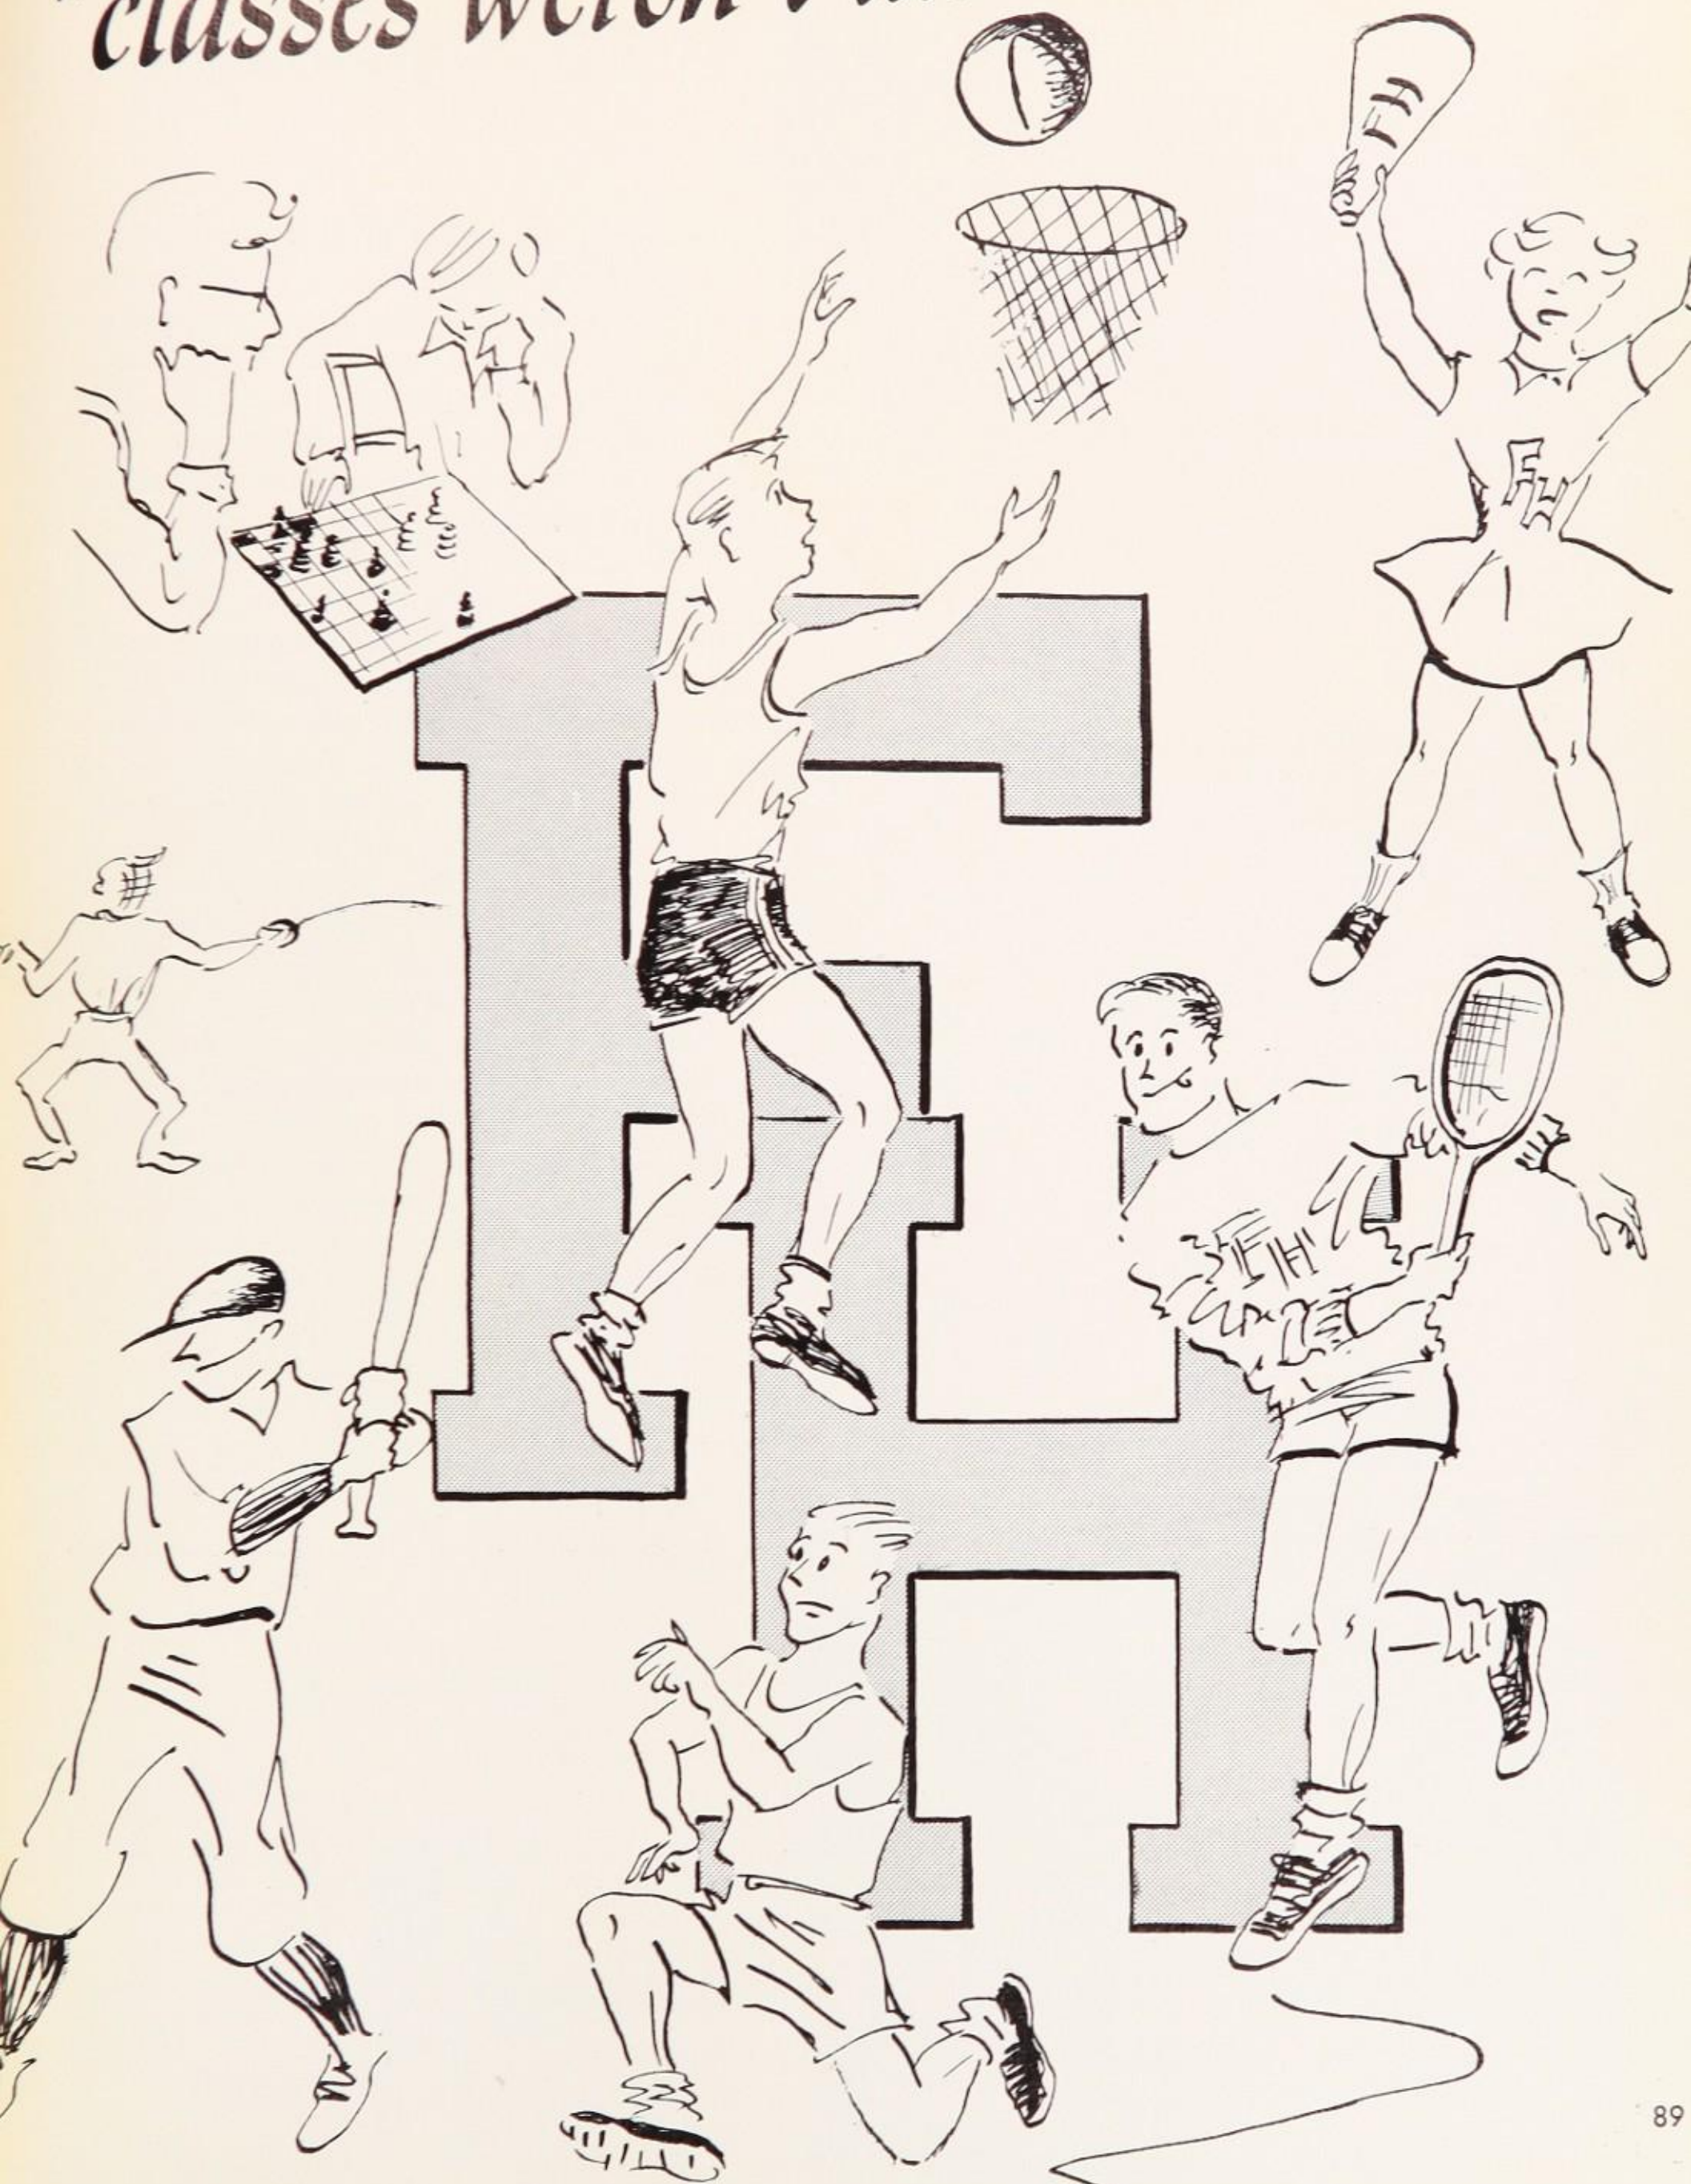

"Show school spirit" was the battle call
 Of Boosters and Cheerleaders praising our teams;
 Bowling, fencing, basketball,
 Baseball, track, as well as tennis
 Each and every one a menace
 And all of them were champs it seems!

*

As each term began, we would trudge back to school
 Scanning our programs with uneasy eye;
 Lunch third—the Breakfast Club (groan) Fate is cruel;
 Study eighth, Hoorah! (a long blissful sigh.)
 Who teaches in this room? Oh, no, can it be?
 Calamity's endless, it seems—Woe is me!
 While we bemoaned the vexations of life,

Shula

"classes weren't all..."

Basketball Team—Left to Right, Rear: Paul Victor, Fred Edelman, Gary Morozas, Steve Schneiderman, Stu Hochman, Keith Zinn, Mr. Edward Conlan, Coach. Crouching: Gene Esser, Maurice Rind, Gary Baum. Kneeling: Jerry Silver; Stan Needleman, Don Lefkowitz, Co-Captains; Steve Dunn.

Dribblers Tie for North Shore Title

The 1955-56 edition of the FHHS basketball team was the most successful to represent the school in the last four years. The Rangers emerged Co-champs of North Queens, sharing the honors with Bryant. They also paid a visit to Madison Square Garden where they became the first victim of the Commerce Businessmen who went on to become City Champs.

Spearheading the Tri-color for the third straight year was Stan Needleman. Stan broke the old individual game scoring record of 33 points held by Jim Pettit and set a new standard of 35 in a game against Flushing. The Rangers found most of their trouble in the persons of Flushing, Cleveland and Bryant, winding up with an 11-3 ledger.

Graduating, besides Stan, are Co-captain Don Lefkowitz, Maurice Rind, Gene Esser and Jerry Silver. Donny did a good job off the boards while Maurice flashed a deadly set and uncanny fast-break layups. Although Gene didn't see much action during the regular season, he did turn in a great performance at the Garden. Jerry was always a crowd pleaser with his sure-fingered ball handling.

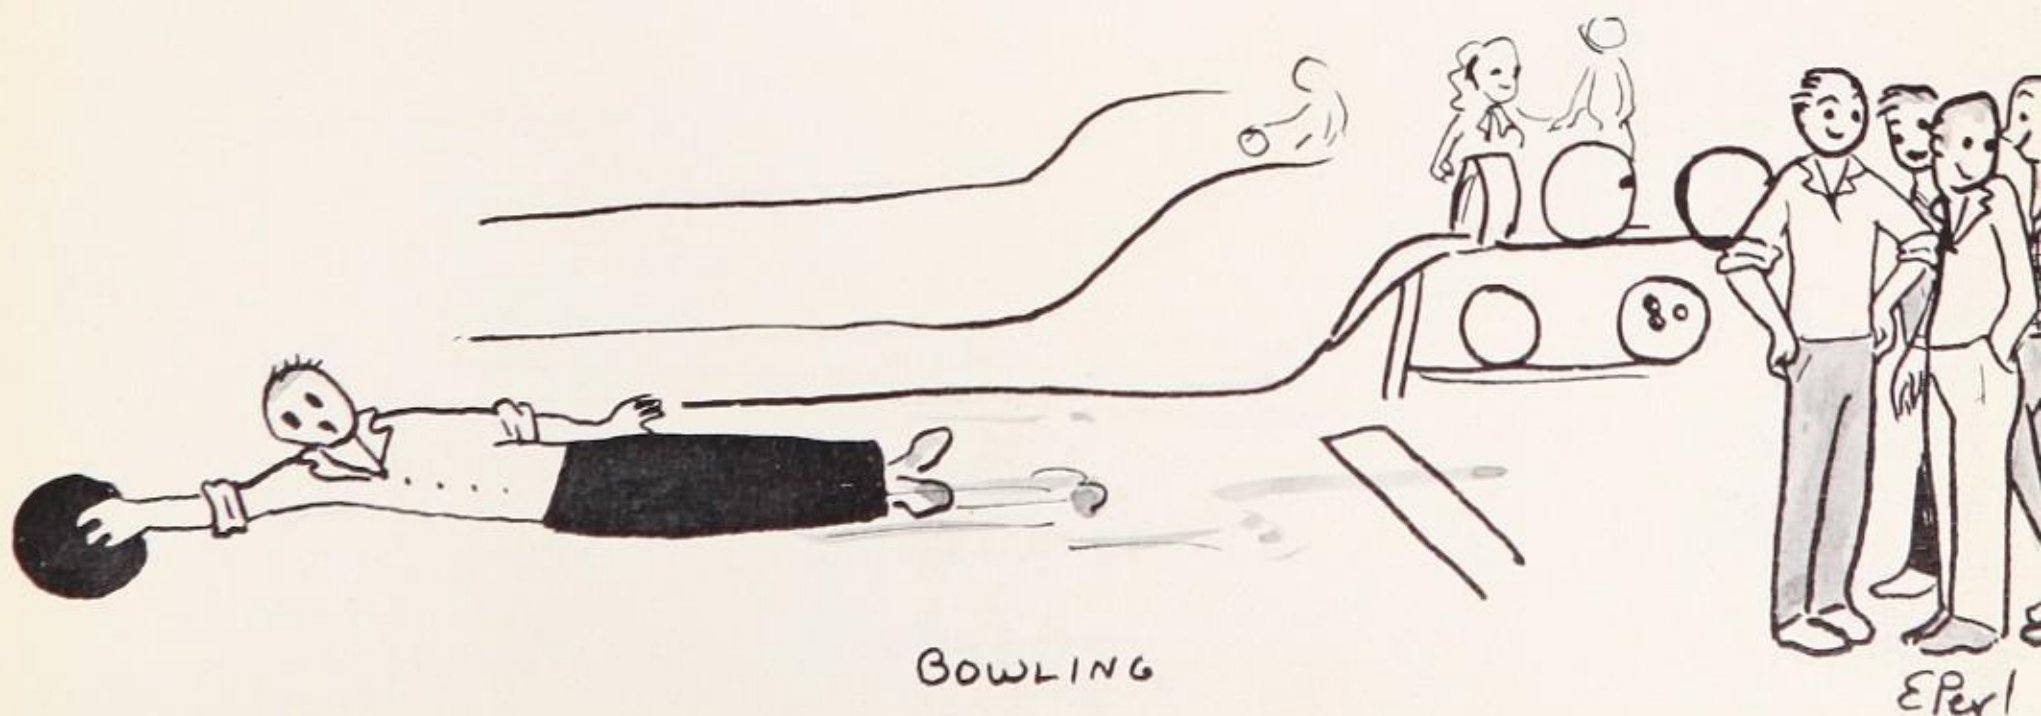

Bowling Team—front row, left to right: Harvey Brice, Paul Gimpel, Ira Kaskel, Lenny Spolan and Phil Moss. Second Row: Mr. Roemer, assistant coach, Henry Katz, Jeff Weiss, Coach Spata. Rear Row: Irwin Sommers, Bob Topper and Herb Stofsky.

Keglers Bowl Over City!

The 1955-56 Forest Hills Bowling Team finished the year with a fabulous list of honors. The team won the North Shore Crown, the Queens Championship, and the P.S.A.L. City Championship. They lost only one match all year, and that was to a very determined Bayside team. It was lost only after the team had clinched the North Shore title. In winning the City Championships, the Keglers brought the permanent Bowling trophy to the school for the first time in the school's history.

The team attributed its fine showing to Mr. Nicholas J. Spata and Mr. Joseph Roemer, who coached the team successfully throughout the season. Thanks to Mr. Spata and Mr. Roemer, such boys as Paul Gimpel, Lenny Spolan, Ira Kaskel, Phil Moss, Harvey Brice, and Irwin Sommers were able to carry the team through the city finals to the City Championship. Congratulations are also in order to Henry Katz, Charlie Lingle, Bob Topper, Herb Stofsky, Jeff Weiss, and Al Greenberg, who composed the rest of the '55-'56 team.

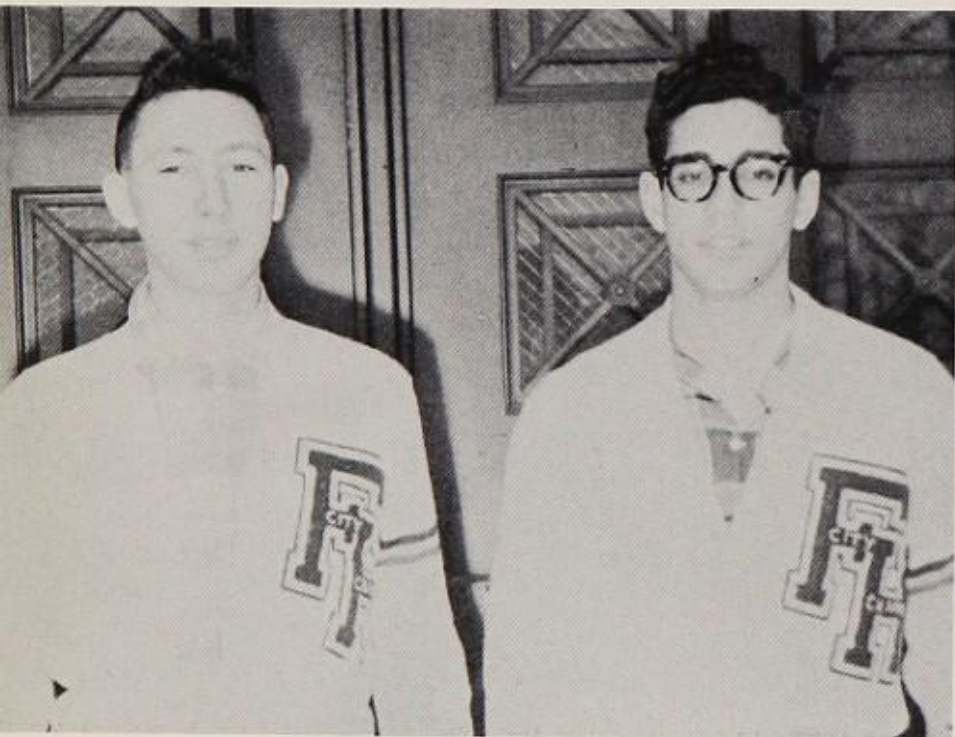

Tennis Story

City Champs, '54, '55 and . . .

Tennis Team—Left to Right, Rear: Billy Hansel, Harold Weber, Andrew Stone, Steve Glauber. Front: Steve Halpern, Martin Propper, Ilan Rothmuller, Dave Fenton, Mgr.; Mr. Selig Bernstein, Coach.

There were bright skies ahead as the Forest Hills netmen began the quest for their third straight City Tennis Championship. The fact that there were only four returnees did not appear to be a serious disadvantage.

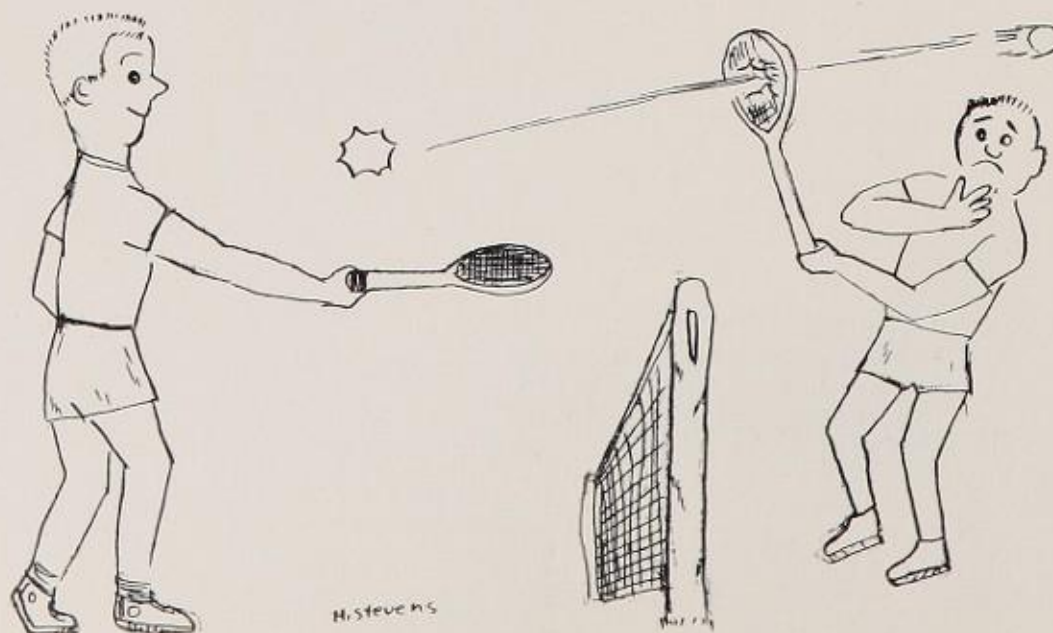

The mainstays of the team were Harold Weber and Steve Halpern. Weber plays a crafty type of game and relies mainly on his ability to place the ball instead of trying to overpower his opponents. Halpern differs from Weber in that he plays a power game in which he employs a strong service and sharp return.

Billy Hansel is a sophomore with tremendous potential. During the Max Jacob Memorial Tournament last fall, he scored upset victories over both Halpern and Weber to clinch the trophy. It was an interesting speculation which of the three would win out in the fight for top ranking.

The fourth returnee was Martin Propper, who did not see much action in '55 because of the abundance of superior players. He would have been a starting player on practically any other team in the city. Great things were expected of him as the '56 season started.

Fighting it out for the remaining positions were Ilan Rothmuller, Steve Glauber and Andy Stone.

Commenting on the forthcoming season, Coach Selig Bernstein said, "I am sure that this year's team will live up to the standards of the previous Forest Hills teams."

Snows Blanket Nine; Starts Late

At the beginning of the baseball season, Coach Lapp was quoted as saying, "We have a very good infield and a pretty good club." On what did Mr. Lapp base his quote?

Looking into this year's picture, we find a veteran infield returning from last year's squad: Mal Kahn, Steve Gold, and Captain Al Aghazadian. Gold and Kahn hit .350 and .333 respectively, last year. These two boys figured to be the offensive horses this year. A baseball team is made up of nine players and substitutes and this team was no exception. In the outfield chasing those fly balls were Lenny Spolan, Bob Ellsley and Barry Teller.

In the pitching department were righties Arthur Schwartz, Gino Segre and Ray Moldow, and behind the plate it figured to be Murray Stern.

These boys were fighting hard on the field in order to live up to predictions, but mostly to better last year's record of 5-7.

Baseball Team—Left to Right, Rear: Mr. George Lapp, Coach, Bob Ellsley, Gene Esser, Jerry Sherman, Murray Stern, Barry Teller, Howie Bloom, Mgr. Kneeling: Al Aghazadian, Mal Kahn, Steve Gold, Steve Cayne, Eddie Schechter, Asst. Mgr. Seated: Art Schwartz, Gino Segre.

Swimming Team—Left to Right, Rear: Richie Brown, Bruce Lemle, Steve Miller, Kenny Desser, Co-Capt. Richie Mintz, Bob Murhoff, Co-Capt. Gary Wallace, Bob Atwood, Ted Schwartz, Ted Wise, Robert Schmukler, Henry Marmor. Absent: Stephen Josephson. Crouching: Tippy Haberkorn, Bruce Greene, Steve Kisley, Mike Magdoff, Lenny Cohen, Hank Alexander, Edward Kopelowitz. Seated: Eddie Manousoff, Ilan Rothmuller, Al Aghazadian, Capt., Stan Kent, Carlos Ferero.

The Aquamen

The Forest Hills mermen ended the season with a 5-3 record, the best they have ever compiled. The tri-color placed five men on the All-Queens team: Co-Captains Richie Mintz and Gary Wallace, Chuck Deutsch, Steve Kisley and Bobby Muroff, all free stylers. The first four composed the All-Queens 200 yard relay team. Hank Alexander, Bob Atwood, Lenny Cohen and Tippy Haberkorn swam in the relays and the 50-yard free style events. Bob also competed in the 200 yard free style. Mike Magdoff switched his services between the 100 and 200 yard free style.

Bruce Lemle was the mermen's leading contender in the breast-stroke events. Steve Josephson, Steve Miller, Steve Pollack and Ted Wise were the mainstays in the backstroke. The FH standard-bearers in the diving events were Don Gold and Bob Schmuckler.

Booters Have Good Season

Led by Sophomores Carlos Ferero and Stan Kent, the 1955 Soccer team pulled the biggest surprise in the school's history by defeating Grover Cleveland's ten by a score of 2-1. This marked the end of a thirty-one game winning streak for Cleveland which had stretched over a period of three years.

This year's team, which compiled a 5-5-1 record, was headed by Captain Al Aghazadian. Al, along with such notables as Shelly Weiss, Manny Monogenis, Lloyd Werner, Kenny Wieck and goalie Jerry Levine, may be considered the "brick wall" which guarded the Ranger goal this season. The offensive work was ably handled by the high-scoring line of Camillo Baretto, Ilan Rothmuller, Eddie Manousoff, Carlos Ferero, Stan Kent and Burt Blum. As a final highlight of the '55 campaign, Camillo Baretto and Ilan Rothmuller were named to the New York City team which played against the Philadelphia All Stars.

As the curtain falls on another school year, we look back at Coach Ray Doyle's booters, victors over City Champion Grover Cleveland.

Cindermen and Hill and Dalers

Inconsistency plagued our cross country team. Unable to fill the squad, our best efforts were nullified, and the team did not score as expected. Nevertheless, individual efforts of the boys should not go uncredited.

Bob Kirchoff, Steve Silver, Barry Greenfield, Cliff Kenny, Steve Hansburg, Paul Sheffield, Artie Schwartz, Larry Siegel and Co-captains Bob LaRocca and Steve Goodman contributed their share throughout the season.

The Rangers defeated Newtown and Bryant. Bob Kirchoff set a new school record of 2:24 for the 1000 yard run. The mile relay team of Joe Osipow, Bob LaRocca, Steve Goodman and Bob Kirchoff placed fourth in the PSAL City Championships.

Track and Cross Country—Left to Right, Rear: Mr. Gerald Pannell, Coach, Steve Hansburg, Steve Silver, Joel Graff, Barry Greenfield, Bill Friedman, Mgr., Lenny Cohen, Asst. Mgr. Kneeling: Paul Sheffield, Bob Kirchoff, Charles Cole, Angus MacLise, Emanuel Monogenis. Seated: Bob LaRocca, Cliff Kenney, Steve Goodman.

Handball Team

"We have the strongest team in our division and barring any accidents we should win the league championship," said Handball Coach Joseph Tuzza, at the start of the past season. It looks like that prediction has come true.

The lineups for Forest Hills looked like this. Stan Cohen, a three year man on the team, took on the all-important first singles slot. Richie Mintz, who played so well as first doubles partner the previous year with Dave Grosser, played second singles. Charles Sheldon played final singles position.

The doubles men were Gilbert-Schames in the first doubles, and Artie Meyerson-Stu Kutcher in the second. Coach Tuzza returned to the team after a one-year absence. Along with the Rangers in the league were Newtown, Bayside, L.I.C., and Flushing. The Wallmen played their home games on the park department courts at Flushing Meadow.

Handball Team—Left to Right, Rear: Paul Keyishian, George Levine, J. Shames, Barry Gilbert, Mr. Joseph Tuzza, Coach. Kneeling: Stan Cohen, Richie Mintz, Charlie Sheldon, Zachary Tropp, Mgr.

Fencing Team—Left to Right, Rear: Eugene Glazer, William Kao, Gil Eisner, Richard Merzon, Norman Grossberg, Mr. Victor Ritchie, Coach. Kneeling: Albert Tosin, Allen Stagl, Stuart Kurtz, David Jacobs, Martin Kosman, Morton Siegel, Ed Meyer.

Touche!

The 1955 foilers, under the guidance of Coach Victor Ritchie, ended the regular season in a tie for third place with Stuyvesant. Each had six victories.

The team consisted of six men: Gene Glazer, Dick Merzon, Bill Kao, Gil Eisner, Pete Greiner and Norman Grossberg. Glazer, the team captain, emerged fourth in the City in a pre-season tourney. Merzon was a veteran of last year's squad. He looked good in his first year as a regular. Kao, the Co-captain, was another veteran of last year's team. Eisner, Greiner, and Grossberg were all newcomers. With most of this year's squad returning, the foilers figure to be on top next year.

Golf Team—Left to Right, Rear: Buddy Soloff, Robert Ober, Edward Schechter, Mr. Joseph Herschel, Coach. Kneeling: Lenny Farber, Warren Ashman, Mike Drucker. Seated: Edward Koster, Stephen Schwartz, Steve Haas.

Fore!

This year's golf team figured to be the best team that Forest Hills has ever had. So Mentor Herschel predicted at the beginning of this year's campaign.

Veterans returning from last year's squad were Buddy Soloff, Bill Brauer, and Steve Karron. Newcomers were Steve Haas and Warren Ashman.

In the past few years our golf team has always trailed front runner Bayside. And so it was that all eyes were focused on this year's campaign as the Ranger golf team battled Bayside for first place.

FOUR THOUSAND SEPARATE ENTITIES COMPRISE A SCHOOL;
HUNDREDS OF IMPRESSIONS COMPRISE A MEMORY.

Forest Hills High School is many things.

It is smiles that are individual:

Armand Derfner's sardonic
Merna Kart's quick
Rosellen Brown's sweet
Frank Decker's slow
Marcia Jacoby's sympathetic
Alice Glarden's quiet
Nell Hahn's broad
Judy Granich's gay
Bob Wyman's engaging
Sidney Bernstein's fleeting
Dr. Entin's amused
Mr. Kernan's unexpected
Mrs. Gray's kind
Mrs. Greenfield's warming

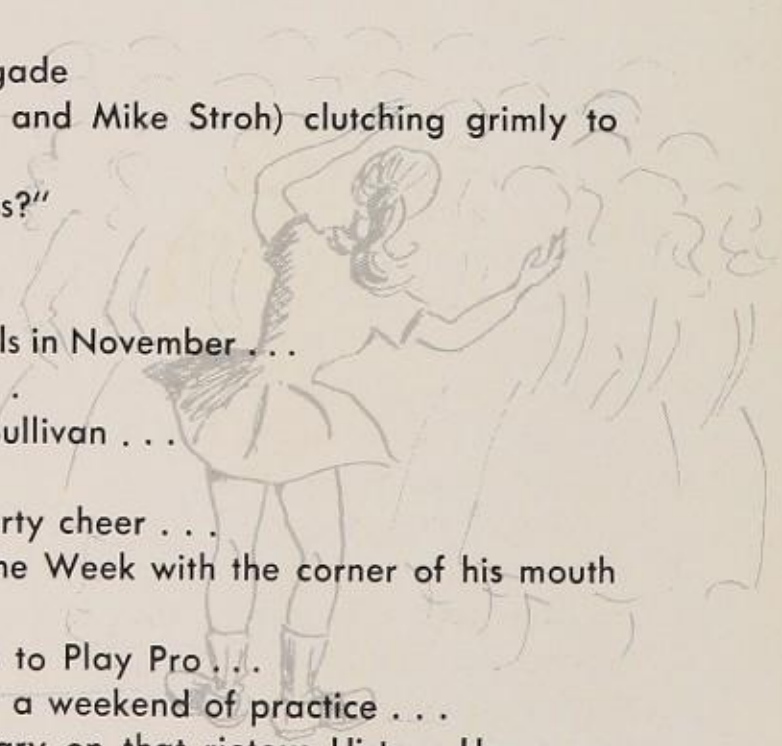

Forest Hills High School is personal idiosyncrasies:

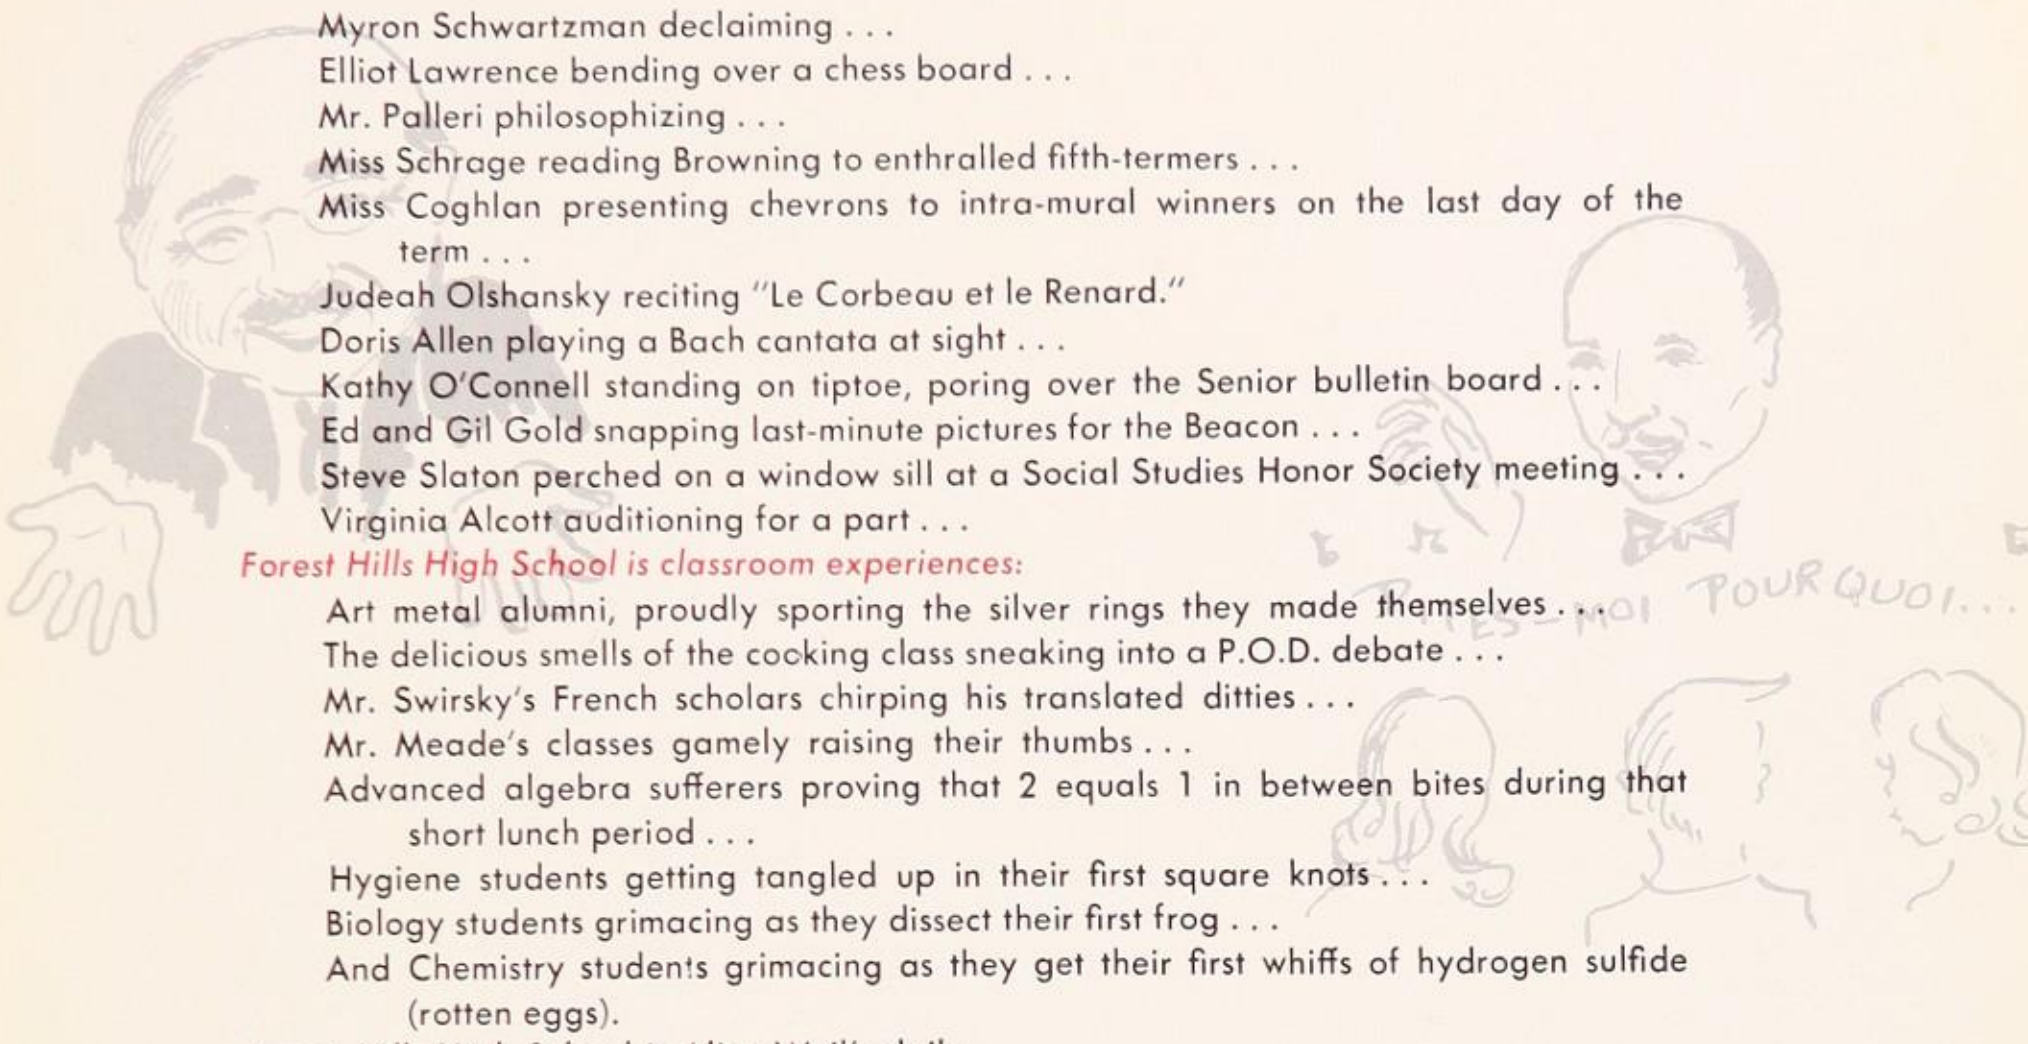

Taky Aghazadian's heavy knit sweaters;
Vivian Strass's baby voice;
Paul Rosenberg's off-center walk;
Marty Groder's involved sentences;
Hope Warren's queue;
The last surviving members of the Briefcase Brigade
(Dick Kerber, Bernie Saxe, Joe Richter, and Mike Stroh) clutching grimly to
their satchels;
And the marshal's perennial grunt, "Goddapass?"

People are what they do and how they do it.

Forest Hills High School is:

The girls from Chorus humming Christmas Carols in November . . .
Stan Needleman sinking that winning basket . . .
Henry Lippmann racing through Gilbert and Sullivan . . .
Renee Ralton singing Israeli melodies . . .
Sally Weisbarth leading the Boosters in a hearty cheer . . .
Pete Kahn poring over the Math Problem of the Week with the corner of his mouth
tensed . . .
Mr. Kerr snapping out last minute instructions to Play Pro . . .
Mike Behr lugging his bass viol to school after a weekend of practice . . .
Gerry Wildenberg doing a running commentary on that riotous History Honor vs.
Science Honor basketball game . . .
Arnie Meyerowitz demonstrating the meringue to his English class . . .

Myron Schwartzman declaiming . . .
Elliot Lawrence bending over a chess board . . .
Mr. Palleri philosophizing . . .
Miss Schrage reading Browning to enthralled fifth-termers . . .
Miss Coghlan presenting chevrons to intra-mural winners on the last day of the term . . .
Judeah Olshansky reciting "Le Corbeau et le Renard."
Doris Allen playing a Bach cantata at sight . . .
Kathy O'Connell standing on tiptoe, poring over the Senior bulletin board . . .
Ed and Gil Gold snapping last-minute pictures for the Beacon . . .
Steve Slaton perched on a window sill at a Social Studies Honor Society meeting . . .
Virginia Alcott auditioning for a part . . .

Forest Hills High School is classroom experiences:

Art metal alumni, proudly sporting the silver rings they made themselves . . .
The delicious smells of the cooking class sneaking into a P.O.D. debate . . .
Mr. Swirsky's French scholars chirping his translated ditties . . .
Mr. Meade's classes gamely raising their thumbs . . .
Advanced algebra sufferers proving that 2 equals 1 in between bites during that short lunch period . . .
Hygiene students getting tangled up in their first square knots . . .
Biology students grimacing as they dissect their first frog . . .
And Chemistry students grimacing as they get their first whiffs of hydrogen sulfide (rotten eggs).

Forest Hills High School is Alice Weil's daily

"Good morning, Rosalie Schulberg."

Mr. McCarthy's "Today, class, I think we'll give you a bit of culture."

Mrs. Dineen's, "Nunca, nunca!—A goose-egg for you!"

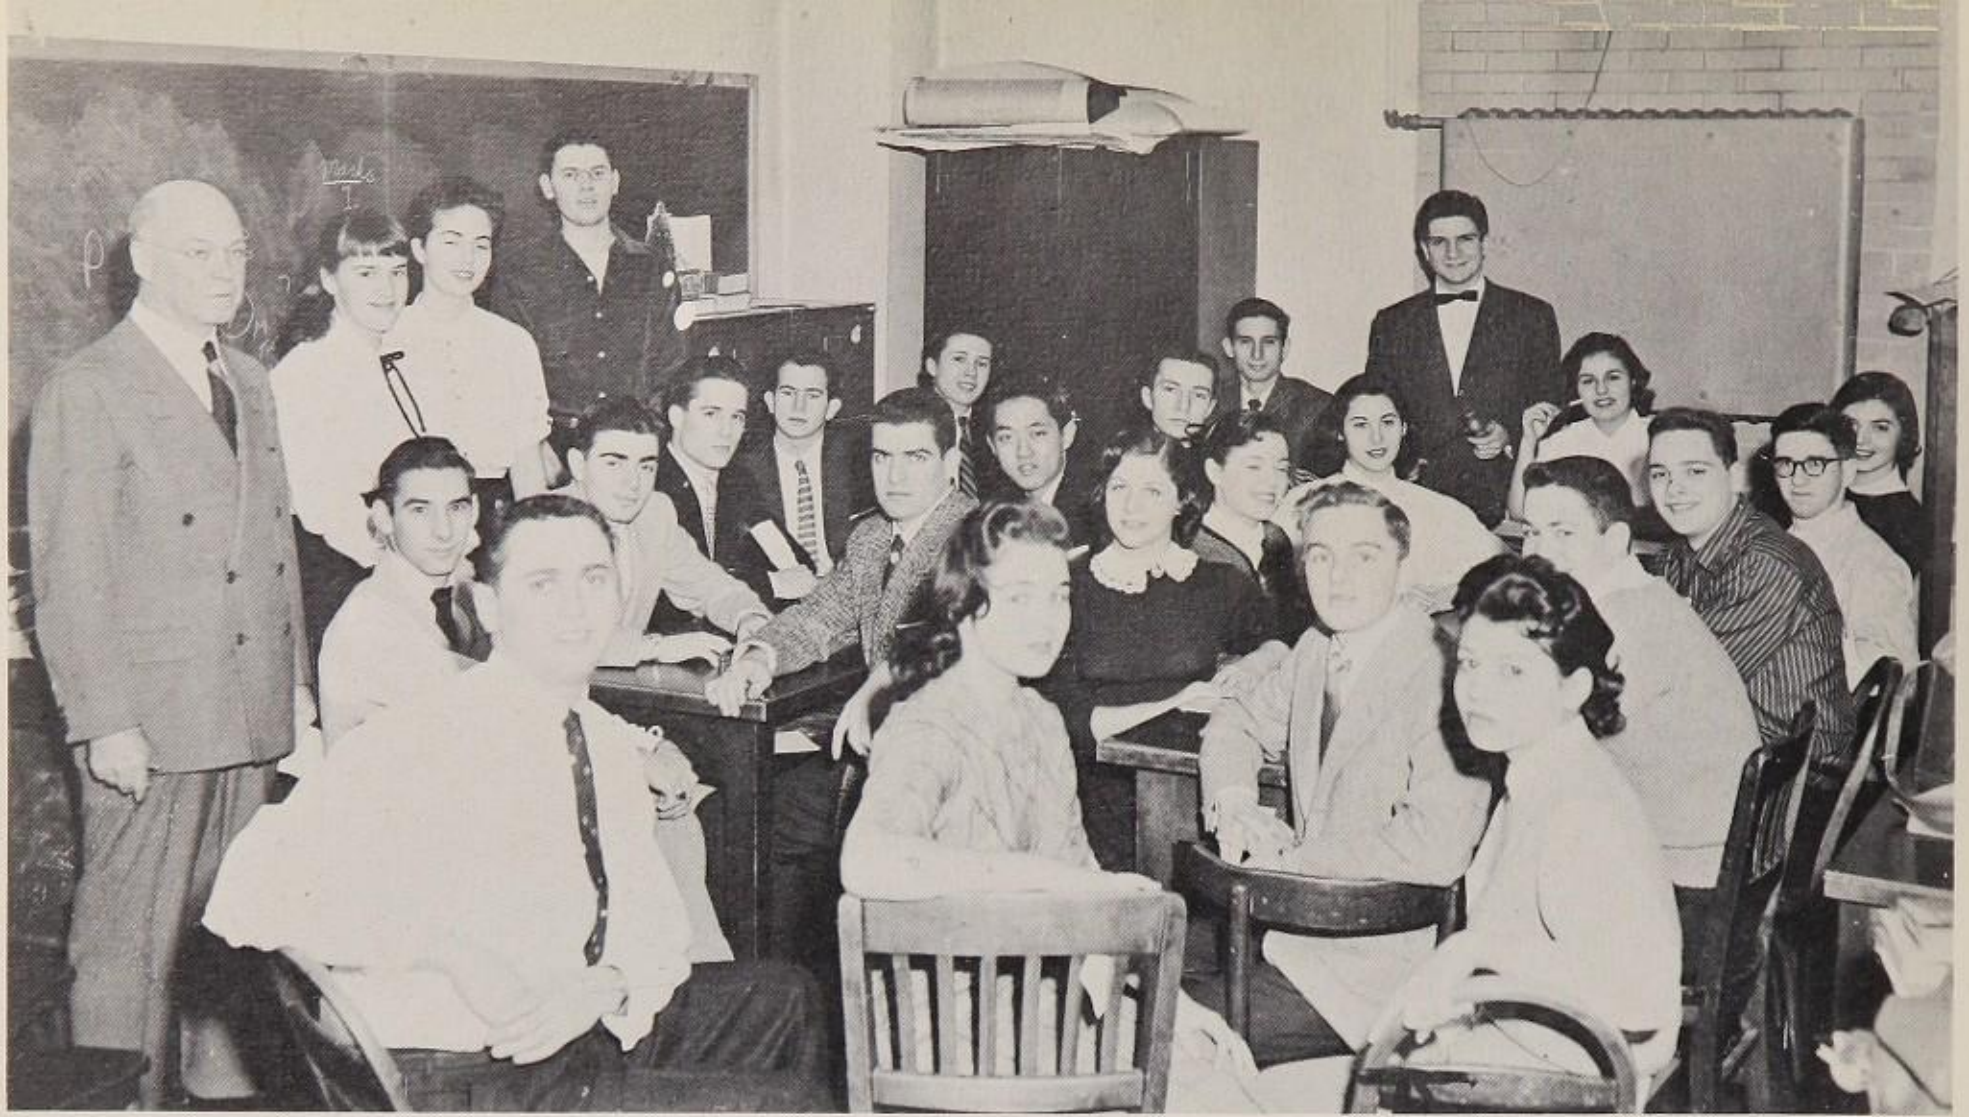

It is Mrs. Greenfield's French Menus; And it is Mr. Harrigan's "Indians—the Sioux (Sue Shulman and Sue Schur).

Forest Hills High School is:

The Leaders wearing blue and white bows on All-Color Day . . .
Play Pro's stage crew working like mad in dungarees the week before opening night . . .
The Beacon staff spread out on the floor, counting copies on publication day . . .
The studied calm of candidates waiting for election results . . .
Mr. Carter beaming at the G.O. Officers as they run the first senate meeting of the year . . .
The amazed faces of those who discover the model apartment for the first time . . .
The mad dash for the outdoors on the first warm day of spring . . .
The clique of seniors who read "Look Homeward, Angel" and thenceforth devote their lives to the preservation of Thomas Wolfe . . .
The camaraderie of a classroom of utter strangers five minutes before the Regents papers are handed out.

Forest Hills High School is the blaze of senior hats the second week of the term and the one last senior hat that somehow persists until graduation. Forest Hills High School is yellow slickers on rainy days and books marked, "If this book should chance to roam, box its ears and send it home." Forest Hills High School is the tower lit up at night and the false step opposite the General Office, and the art exhibits, and the fencing team. Forest Hills High School is Dr. Ryan, and Mike, the elevator man, senior tables and campaign posters, the Yearbook and the French American Student, Arista parties and night basketball games. Forest Hills High School is four years of . . . Life.

"BAKING IS OUR BUSINESS"

The Education Loan Plan . . .

***A low-cost, pay-as-you-go plan
for financing tuition and all
other educational costs***

Will your tuition bill always come at the "wrong" time when there are a dozen or more other bills competing for your bank balance? Meeting your son's or daughter's tuition costs quarterly or semi-annually is not always easy or convenient.

That is why Manufacturers Trust Company, through its Education Loan Plan, offers a student's family the opportunity to pay tuition costs (Private Schools, Preparatory, Vocational or other Specialized Schools, Colleges or Universities) on a pay-as-you-go basis.

You can now arrange for a Personal Loan which will permit you to pay for a full year's tuition in cash, and re-pay the loan in 12 convenient monthly installments.

If you have savings, keep them. Once used, the chances are you'll never put the money back. There'll always be some good reason for spending it. Your only cost is \$4.25 per \$100, including life insurance.

The life insurance feature is an important consideration because it means that if anything should happen to you, the borrower — a student's father, for example — the insurance would cover the unpaid balance of the loan.

You are cordially invited to apply for an Education Loan at any one of our 112 convenient offices throughout Greater New York. Look in the telephone book for addresses, or call HAnover 2-1100.

OUR LOAN SERVICE IS ALWAYS PROMPT,

SONG OF THE GRADUATE

We hold our new diplomas
As we proudly walk the aisle,
And a little trace of—who knows what—
Is mingled with our smile.

We've labored through each problem
That our high-school years could give;
We've laughed a lot, we've learned a lot,
And—just a bit—we've lived . . .
